Ⅱ 次の文章を読み、後の問いに答えなさい。

Rina is talking to a travel agent over the phone.

- Travel Agent: Hello and thank you for calling Magic Travel. My name is Amanda. How may I help you today?
- Rina: I'm looking for a hotel in Orlando, Florida so I can go to Disney World with my family.
- Travel Agent: Fabulous! May I have your first name, please? Also, tell me < ① > children and adults are in your family.
- Rina: My name is Rina. Two adults and two children.
- Travel Agent: Thank you, Rina. Do you have any children under two years old?
- Rina: No, my children are both 12 years old. They're < ② >.
- Travel Agent: < ② >? That's cool. Two girls or two boys?
- Rina: One boy and one girl.
- Travel Agent: I see. How long do you want to stay in Orlando and when?
- Rina: We want to stay for one week and we would like to stay at the cheapest time to travel.
- Travel Agent: I understand. Where are you going to travel from?
- Rina: We will travel from Tokyo, Japan.
- Travel Agent: Please wait a moment while I search for a few different options.... OK, the cheapest time to travel will be January 10<sup>th</sup> to the 17<sup>th</sup>. **③Will that work for you?**
- Rina: Yes, that sounds good. I want to get the cheapest travel package possible. I don't care how small the hotel room is.
- Travel Agent: I see. You have two options for a hotel room. One option is the Disney Value Resort. It's further away from the Disney Parks and the rooms are older. Or your other option is the Disney standard room. The standard room costs a little more money than the value room, but it's newer, bigger, and closer to the parks. Overall, the standard room is **④a better deal.**
- Rina: I see, but I still want the cheapest option. What is the price difference between the two rooms?
- Travel Agent: The standard room is \$45 more expensive than the value room.
- Rina: I will still **⑤pick** the cheaper option.
- Travel Agent: OK. Last question: how many parks do you want to visit while you are here? There are a total of 4 parks: Animal Kingdom, Magic Kingdom, Epcot, and Hollywood Studios.
- Rina: We want to go to all 4 parks, and we would like to go to Magic Kingdom twice.
- Travel Agent: So, a total of 5 park tickets per person. Is that correct?
- Rina: Yes, that's correct. What is my total?
- Travel Agent: Your total for a package of 4 people flying from Tokyo to Orlando is \$10,000. How will you pay? We accept Visa, MasterCard, American Express, and Discover card.
- Rina: I will use my Visa credit card.
- Travel Agent: Would you like to make monthly payments or pay all at once? We can do interest-free monthly payments for twelve months. That will be \$833.33 a month, for twelve months.
- Rina: I would like to pay all at once. Thank you.

Notes: overall 全体として make monthly payments 毎月分割で支払いをする interest-free 無利子の

Ⅲ 次の文章を読み、後の問いに答えなさい。

### Trick or Treat

It was a chilly and windy autumn night in October. Orange and red leaves flew in the air and the smell of burning wood was everywhere. This was Minako's first Halloween in America. Her host sister, Lily, planned the evening and Minako was very excited. Minako did not know a lot about how Halloween was celebrated in America. She had only seen Halloween on television. She watched a movie with Snoopy in it and the children dressed up in spooky costumes and went from door to door asking for candy. Minako learned that ①this custom is called *trick or treating*. She was excited to do the same thing.

Lily turned to Minako and said, "I have a few different options for costumes. You can choose your favorite." Minako looked at her choices. She was not familiar with any of the costumes. One costume looked like a yellow bird, one was a dog costume, and her last option was a princess. Minako was confused. She thought they would dress up as ghosts, or vampires; something scary!

Minako asked Lily, "Why are there no ②scary options for costumes?"

Lily laughed and said, "You can dress up as any character for Halloween! It doesn't need to be scary." Minako chose the yellow bird costume. She was not sure who the yellow bird was, but she thought it was cute.

Lily then quickly said, "We need to hurry and get dressed; we don't want to be late for the party!" Minako was confused and asked, "What party? What about trick or treating?" Lily giggled and said, "Trick or treating is for < ③ > ! You are in high school now. We will go to a Halloween party!"

④Minako felt sad and a little disappointed. She always imagined herself going trick or treating on Halloween in < ⑤ >. She felt that she had lost a chance to have this experience. Lily noticed the disappointment on Minako's face. She said, "Don't feel sad. You will have ⑥a different experience and going to a party is a lot more fun! You can still dress-up and eat candy, but you can also dance with your friends and play games!"

Minako decided to go to the party and ⑦( a / Lily / time / have / with / good). When they got to the party, a boy in a Darth Vader costume came up to Minako and said, "Nice Big Bird costume." Minako thought to herself, *Oh my costume is from Sesame Street!* She smiled and said, "Thanks!"

Minako joined Lily on the dance floor. They danced, laughed, and ate a lot of candy. Minako turned to Lily and shouted, "This is more fun than < ⑧ >!"

Notes: spooky 不気味な      giggle くすくす笑う
